

In the context of developing its Fund Services team, NGR Consulting recruits

SENIOR CONSULTANT (H/F) - FUNDS INDUSTRY -

NGR Consulting is seeking highly motivated individuals having the following profile :

Profile

- With over 5 years operational experience supplemented by 2 to 5 years project management experience in the world of Transfer Agency, Funds Accounting or Custody, you are ready to take up new challenges and enter into the management consulting arena;
- You are familiar with client integrations, funds launches/mergers, system implementations and well known project methodologies;
- You are someone who can easily intervene in strategic discussions on industry challenges with decision makers;
- You are recognized as a natural charismatic leader that your colleagues like to follow to help you achieve your objectives;
- You possess enough expertise to be able to manage small to medium size projects autonomously;
- You are an outstanding communicator and your professional experience helped you to build a network that you can leverage in the context of service offerings;
- You are BAC +4 or higher graduated, and perfectly fluent in both English and French (writing and speaking);
- Strongly client focused, you ideally have a previous experience in the consulting world.

Responsibilities

- You will be involved as BA/PM in global projects in the funds industry covering strategy definition, operating model definition and setting up, package selection/implementation, system, client or company migrations, strategy definition, and typically interact with both technical and functional areas;
- You will facilitate the management, the analysis and the execution of our key client's projects in order to help them achieving their agreed strategic objectives;
- You will be in charge of providing strong business analysis, working in teams with other consultants and the client;
- As industry professional you will be involved in strategic Professional researches that are regularly published by NGR;
- You will contribute to the development of the service offering.

WHO WE ARE ?

NGR Consulting is a business consulting firm active in the areas of organization, operational strategy and information systems, operating mainly in Luxembourg, Belgium, the Netherlands and France. Supported by industry-focused consultants and deep technical know-how, NGR Consulting collaborates with its clients to design innovative business solutions and deliver added-value results. Its experienced consultants are committed to deliver, thanks to deep industry, business process expertise and a proven track record: on this basis, NGR Consulting helps its clients in reaching high performance targets.

In the context of the expansion of its Fund Services division, NGR Consulting is currently looking to recruit consultants with a profile of senior business analysts and/or Project Manager. If your profile matches with the above criteria, please send us your CV and we will be delighted to welcome you to further discuss the details with you.

NGR Consulting offers a highly competitive compensation and comprehensive benefits package. We offer you the opportunity to develop your fullest potential by providing you with appropriate training, mentorship and client engagement opportunities.
