## **WHO WE ARE ?**

NGR Consulting is a business consulting firm active in the areas of organization, operational strategy and information systems, operating mainly in Luxembourg, Belgium, the Netherlands and France. Supported by industry-focused consultants and deep technical know-how, NGR Consulting collaborates with its clients to design innovative business solutions and deliver added-value results. Its experienced consultants are committed to deliver, thanks to deep industry, business process expertise and a proven track record: on this basis, NGR Consulting helps its clients in reaching high performance targets.

In the context of the expansion of its Fund Services division, NGR Consulting is looking for confirmed (or Junior) Consultants showing entrepreneurial thinking in order to integrate our consulting activity related to the fund business.

**NGR Consulting offers a highly competitive compensation and comprehensive benefits package. We offer you the opportunity to develop your fullest potential by providing you with appropriate training, mentorship and client engagement opportunities.**
